

5. STATEMENT — CONCLUSIONS

'Conclusion* means a fact that can be truly inferred from the contents of a given sentence or passage*. The questions in this section thus consist of a statement/group of statements, followed by certain inferences based on the facts contained in the given statements. The candidate is required to analyse the given statements, understand their indirect implications and then decide which of the given conclusions follows logically and for sure, from the given statements.

TYPE 1

In this type of questions, a statement is given followed by two conclusions. The candidate is required to find out which of these conclusions definitely follows from the given statement and choose the answer accordingly.

ILLUSTRATIVE EXAMPLES

Directions : *In each of the following questions, a statement is given followed by two conclusions I and II. Give answer (a) if only conclusion I follows; (b) if only conclusion II follows; (c) if either I or II follows; (d) if neither I nor II follows and (e) if both I and II follow.*

Ex. 1. Statement : Sealed tenders are invited from competent contractors experienced in executing construction jobs.

Conclusions : I. Tenders are invited only from experienced contractors.
II. It is difficult to find competent tenderers in construction jobs.

Sol. According to the statement tenders are invited from contractors experienced in executing construction jobs. So, conclusion I follows. The availability of competent tenderers in construction is not mentioned. So, conclusion II does not follow. Hence, the answer is (a).

Ex. 2. Statement : The distance of 900 km by road between Bombay and Jafra will be reduced to 280 km by sea. This will lead to a saving of Rs 7.92 crores per annum on fuel.

Conclusions : I. Transportation by sea is cheaper than that by road.
II. Fuel must be saved to the greatest extent.

Sol. According to the statement, sea transport is cheaper than road transport in the case of route from Bombay to Jafra, not in all the cases. So, conclusion I does not follow. The statement stresses on the saving of fuel. So, conclusion II follows. Hence, the answer is (c).

Ex. 3. Statement : The manager humiliated Sachin in the presence of his colleagues.

Conclusions : I. The manager did not like Sachin.
II. Sachin was not popular with his colleagues.

Sol. Clearly, none of the given conclusions is either mentioned in or can be drawn from the facts given in the statement. Hence, the answer is (d).

Ex. 4. Statement : Any young man who makes dowry as a condition for marriage discredits himself and dishonours womanhood.

Conclusions : I. Those who take dowry in marriage should be condemned by society.

II. Those who do not take dowry in marriage respect womanhood.

Sol. Clearly, the statement declares dowry as an evil practice and reflects its demerits. Thus, conclusion I follows. Also, it is given that those who take dowry dishonour womanhood. This implies that those who do not take dowry respect womanhood. So, conclusion II follows.

Hence, the answer is (e).

EXERCISE 5A

ANSWERS

1. (d): The statement mentions that morning walks improve health. But this does not mean that all healthy people go for morning walks. So, I does not follow. Also, nothing is mentioned about evening walks in the statement So, II does* not follow.
2. (e): It is mentioned in the statement that one who considers price and quality before buying a product should buy the product of company X. So, both I and II follow.
3. (d) : Clearly, both I and II do not follow from the given statement.
4. (a): It is mentioned in the statement that a neurotic is a person who behaves stupidly. So, I follows. The behaviour of normal persons cannot be deduced from the given statement. So, II does not follow.
5. (d): The availability of vegetables is not mentioned in the given statement. So, I does not follow. Also, II is not directly related to the statement and so it also does not follow.
6. (o): It is mentioned in the statement that India's economy depends mainly on forests. This means that forests should be preserved. So, I follows But, that only preservation of forests can improve the economy, cannot be said. So, II does not follow.
7. (e): The statement mentions that the world for a man is as he makes it himself. So, some people might find it good and some quite bad. Thus, both I and II follow.
8. (e): Since both I and II provide suitable explanations to the given statement, so both follow.
9. (6): Clearly, the statement talks of company X only and no other company. So, I does not follow. Also, it is mentioned that one can take a good shot even in bad weather conditions with a camera of company X. So, II follows.
10. (d) : The statement mentions the problem of increased migration of children to cities. But the ways to deal with the problem cannot be deduced from it So, neither I nor II follows.
